Focus on Articulated Skilled Trades • Resource Expo

All Robbinsdale Area Schools families are invited to a 'Back to School' Parent and Student University, featuring an extensive resource expo!

Planning is underway for the 4th annual Parent and Student University (PASU) 'Back to School Event.' PASU is a family-focused event, with an emphasis on articulated Skilled Trade pathways, college and career readiness, and community resources. The event also provides families with information about the school district and ways to get involved. The Back to School PASU will feature an extensive Resource Expo for adults and students.

Registered participants will receive more information on resources prior to the event.

- Dinner provided to those who register
